Enabling Entrepreneurs

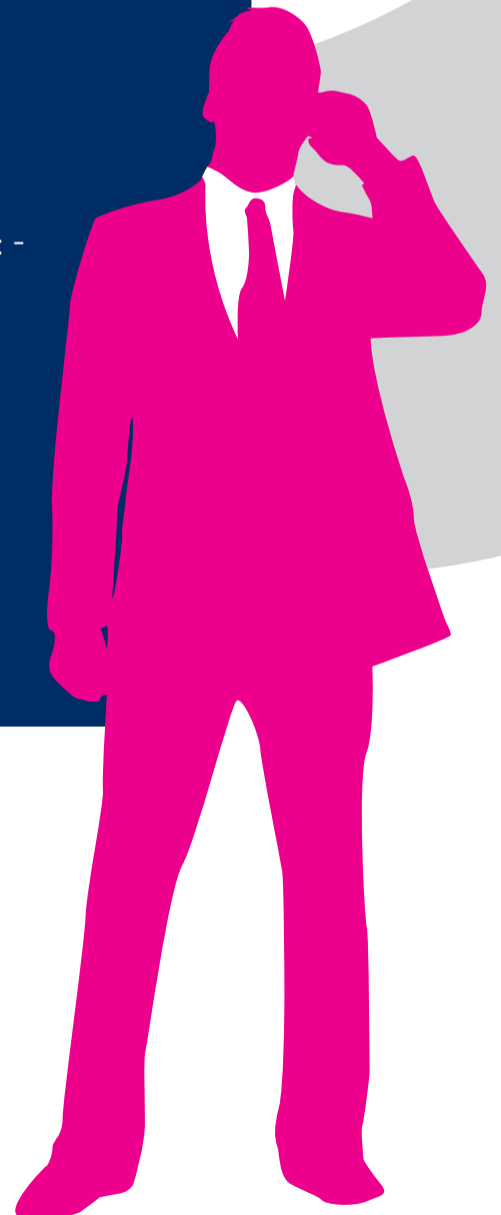

Border Innovation Gateway (BIG) is an enterprise development programme to help you make your gem of an idea become a reality.

BIG is jointly run by three centres;

Dundalk Institute of Technology in Dundalk, Co Louth,
Greenshoots Newry Ltd in Newry, Co Down
Southern Regional College in Portadown, Co Armagh; and Newry, Co Down.

In addition to the more traditional forms of enterprise support, BIG also provides: -

- Training on how to harness your INNOVATION and CREATIVITY
- Analysing the technical FEASIBILITY of your concept
- Access to Multi-Campus academic facilities
- Matching technical with commercial insight
- Market Validation
- Opportunity for you to develop cross-border links and business networks

To find out more, contact any of the three centres:
